Day 1

Jambo! Upon arrival at the Jomo Kenyatta International airport in Nairobi, you will be met by a tour representative who will greet you and provide assistance with the transfer to the hotel. The rest of the day is free to be spent at your leisure.

You can choose to explore the hidden sights of Nairobi, including the Karen Blixen Museum, the Giraffe Centre for an up close and personal encounter with these beautiful and majestically tall animals, the Daphne Sheldrick Foundation (open to the public from 1100 hours to 1200 hours) for a personal visit to see the baby elephants and rhinos who have been orphaned and are being hand reared to be released back into the wild.

On the other hand, you may just want to relax after your flight and simply enjoy the hotel facilities. Overnight stay at the [Hotel Royal Orchid Azure, Nairobi](#) (5-star) or similar.

Day 2

Take a leisurely drive to Amboseli National Park located at the foot of Africa's highest mountain, Mount Kilimanjaro. Arrive for lunch at your lodge followed by an afternoon game viewing drive. At sunset, you will be transferred back to your accommodation.

Dinner and overnight stay at the [Amboseli National Park Sopa Lodge](#) (4-star)

Day 3

A day to enjoy this beautiful National Park, where the staggering views of Mount Kilimanjaro throws shadows across the terrain dotted with the magnificent African elephants.

The snow-capped peak of Mount Kilimanjaro rises above a saucer of clouds and dominates every aspect of Amboseli. This park covers only 150 square miles, but despite its small size and its fragile ecosystem, it supports a wide range of mammals, with well over 50 of the larger species and over 400 species of birds.

Day 4

After an early breakfast, depart for Lake Naivasha via Nairobi, arriving in time for a late lunch. The rest of the afternoon is free to be spent at your leisure.

Lake Naivasha is a freshwater lake surrounded by forests of Yellow Barked Acacia also known as Yellow Fever trees. The forests abound with bird life, making it a bird-watchers paradise with over 350 species recorded. There is a healthy population of hippos as well.

Optional activities such as boat rides and visits to Crescent Island are popular and can be organised upon request. Dinner and overnight stay at the [Lake Naivasha Sopa Lodge](#) (4-star).

Day 5

Enjoy an early breakfast at the lodge.

Your journey now takes you to the Masai Mara, Kenya's most famous wilderness reserve. The drive takes you down the Great Rift Valley, offering magnificent views over the wilderness and Mount Longonot. The drive is approximately 4-hours to the gate.

Arrive in time for lunch, followed by an afternoon game viewing drive.

Dinner and overnight stay at the [Mara Leisure Camp](#) (4-star).

Day 6

Enjoy an early breakfast at the camp. Spend a full day in the Masai Mara. Depending on the movement and location of wildlife on the day, the guides will discuss with you various options, such as doing an early morning game drive, returning to the lodge for breakfast, followed by another trip prior to lunch at the camp.

Following a relaxing time in the early afternoon, there typically are further game drives in the late afternoon around 1600 hours. Alternatively, you might partake in an early breakfast and then go out for the day and carry lunch boxes with you. The choice is yours and the best solution will be discussed between yourself and your guide. Return in the evening for dinner and overnight stay at the camp [Mara Leisure Camp](#) (4-star).

Day 7

Following an early breakfast at the camp, bid farewell to the Mara as you set forth on your return journey to Nairobi. Drive back down the Great Rift Valley, passing the dormant volcano Mount Longonot. Keep an eye out for herds of giraffe and gazelle which head up the escarpment.
